9th European Public Health Conference

All for Health – Health for All

9 - 12 November 2016

Abstract results available on 18 June!

The European Public Health Conference Foundation, the European Public Health Association ([EUPHA](#)) and the [Österreichische Gesellschaft für Public Health](#) are pleased to invite you to the 9th European Public Health Conference.

The EPH Conference aims to contribute to the improvement of public health in Europe by offering a means for exchanging information and a platform for debate to researchers
